

Troop 31 Flapjack Baking

Equipment:

- Wood for fire
- Fire Starter
- Pancake flour
- Liquid
- Container to mix
- Grease
- Any other condiments that go with serving a pancake!!!! 😊

FRYING PANS WILL BE PROVIDED

- Patrol will build a fire; prepare batter on site, and cook a flapjack (at least 4" in diameter).
- A string will be strung at 7 feet. The cook will be required to flip flapjack over the string using the frying pan as a flipper, catch it in the pan, and return to the fire to finish frying the other side.
- Present the finished flapjack to judges so as to taste.

Scoring: 100 Points
