

# **Polar Bear Bag**

Troop 7

Boy Scouts:

Scouts will string the main rope between 2 trees and tie off with friction knots. Scouts will throw bag rope over main rope. Scouts will install carabineer on bag rope, thread oops bag rope through carabineer, and tie bear bags to bag rope with Lark's Head. Bear bags will be hoisted to a height of 8 feet and tied off with friction knot. Scouts will fill the oops bag with mystery items, raise it, and tie off with friction knot. Score will consist of time ranking, teamwork, and a bonus.

Sled: 2) 3 or 4-inch carabineer, 1) small backpack for oops bag

Webelos:

Webelos will do the same event only with lower trees and no oops bag and no bonus.

Sled: Good Attitude
